

Premju għall-Arti

GUIDELINES & REGULATIONS

ISSUED: June 2023

1. Context

Premju għall-Arti is Arts Council Malta's celebration of the main achievements of Malta's cultural and creative industries. As highlighted in the National Cultural Policy 2021 this is a high-profile national event awarding excellence in the field of culture and the arts, while encouraging more professionalism and distinction within the sector. This aligns with ACM's first guiding principle as stipulated in its Strategy2025 which is to champion the advancement of the status of the artists, and cultural and creative practitioners.

Artistic expression is to be recognised, celebrated, and cherished as a core value of contemporary cultural life, reflected in a commitment towards the principles of cultural rights. The award sheds light on some of the key protagonists that have demonstrated the power of artistic expression to present new perspectives and ideas in an ever-changing social and cultural context.

The main aim is, therefore, to recognise and reward excellent, innovative, and outstanding work premiered throughout last year's season and/or showed significant progress in the approach towards production.

As from 2023, il-Premju għall-Arti will take place on a biennial basis. The next edition will be happening in 2025.
